

<UICollectionViewDataSource>

<UICollectionViewDelegate
FlowLayout>

FNPartnerCenterView()

```
graph BT; A[FNPartnerCenterView()] --> B[UICollectionViewDataSource]; A --> C[UICollectionViewDelegateFlowLayout];
```

The diagram illustrates that the `FNPartnerCenterView()` class inherits from both `<UICollectionViewDataSource>` and `<UICollectionViewDelegateFlowLayout>`. This is represented by two blue arrows pointing from the `FNPartnerCenterView()` box to the respective protocol boxes above it.
