

<UICollectionViewDelegate
FlowLayout>

<UICollectionViewDataSource>

FNFGFilterElementView()

```
graph BT; A[FNFGFilterElementView()] --> B["<UICollectionViewDelegate<br/>FlowLayout>"]; A --> C["<UICollectionViewDataSource>"];
```

The diagram illustrates the inheritance of UICollectionViewDelegateFlowLayout and UICollectionViewDataSource protocols by the FNFGFilterElementView() class. Two blue arrows originate from the bottom box and point to the top-left and top-right boxes respectively.
