The diagram illustrates a method call sequence. A central box on the left, labeled `+ [NSString(Times) GetNow TimesWithMD5]`, has two blue arrows pointing to the right. The top arrow points to a box labeled `+ [NSString(Times) md5:]`, and the bottom arrow points to a box labeled `+ [NSString(Times) GetNow Times]`. This suggests that the `GetNow TimesWithMD5` method internally calls both `md5:` and `GetNow Times` methods.
