

-[VTMenuBar resetItemFrames]

```
graph LR; A["-[VTMenuBar resetItemFrames]"] --> B["-[VTMenuBar createItemAt  
Index:]"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray fill and a black border, containing the text '-[VTMenuBar resetItemFrames]'. A blue arrow points from the right side of this box to the left side of the right box. The right box has a white fill and a black border, containing the text '-[VTMenuBar createItemAt
Index:]' on two lines.
