

<NSObject>

```
graph BT; SDWebImageOperation --> NSObject
```

A diagram illustrating inheritance. At the bottom is a gray rectangular box with a black border containing the text "<SDWebImageOperation >". Above it is a white rectangular box with a gray border containing the text "<NSObject>". Three blue arrows point upwards from the top edge of the gray box to the bottom edge of the white box, indicating that <SDWebImageOperation> inherits from <NSObject>.

<SDWebImageOperation >
