

<UICollectionViewDelegate
FlowLayout>

<UICollectionViewDataSource>

FNPromotionalListView()

```
graph BT; A[FNPromotionalListView()] --> B["<UICollectionViewDelegate<br/>FlowLayout>"]; A --> C["<UICollectionViewDataSource>"]
```

The diagram illustrates the implementation of UICollectionViewDelegateFlowLayout and UICollectionViewDataSource by FNPromotionalListView(). Two blue arrows originate from the bottom box and point to the two top boxes, indicating that FNPromotionalListView() implements both protocols.
