

<UICollectionViewDataSource>

<UICollectionViewDelegate>

SDCycleScrollView()

```
graph BT; SD[SDCycleScrollView()] --> DS[<UICollectionViewDataSource>]; SD --> DG[<UICollectionViewDelegate>];
```

The diagram illustrates the relationship between the SDCycleScrollView() class and the UICollectionViewDataSource and UICollectionViewDelegate protocols. SDCycleScrollView() is shown at the bottom in a grey box, with two blue arrows pointing upwards to the protocol boxes above it. The left protocol is <UICollectionViewDataSource> and the right is <UICollectionViewDelegate>.
